

Mrs. Tiffany's Abecedarians

August 2018

Welcome

Hello! I am so excited to start this new year of CC with your child.. This is my family's fourth year in Classical Conversations and our first time repeating a cycle. I am excited to be with this group of littles as we learn together. As a tutor I am here to partner with you--I will send emails + texts to help you keep up with how I presented grammar in class as well as give updates and reminders.

Expectations

This is a room of brand new CC learners! While many of them are familiar with CC because of older siblings the act of sitting in a CC class is going to be a new experience.

My only rule is to respect and love others.

Training up these little hearts is a great privilege and continuous work. I look forward to seeing how much they grow this year.

What to Bring

- ✓ Water Bottle

Room Moms

Nine littles, new grammar, science experiments, fine arts, snacks, presentations and more all in 3 hours! It's going to be all hands on deck! While in the room please participate 😊 Help us chant, sing, jump, clean and prepare activities

I will have a list for room moms each week so that you can help us keep the room running at it's smoothest.

Phones are a distraction for little eyes, please step out of the room if needed.
